## Episode 021: Joseph and the Amazing - Hey, Wait!!! (Genesis 37)

Joseph's brothers hated him so much they sold him as a slave. But God had a plan to bring good out of their evil act.

In many ways Joseph's experiences remind us of the things that happened to Jesus. One of His twelve disciples sold Him to His enemies for the price of a slave. The Jewish leaders handed Him over to Pilate because of jealousy and envy.

- Discuss how God used their actions to accomplish His plan to save the world.

It is a great comfort to know that God still brings good out of the bad things that happen to us in this world.

- What are some bad things that have happened to you?
