

Stuff They Didn't Teach Me In Sunday School

Episode 041 - There Goes My Commission! Numbers 21-24

This whole episode came about because of a baseless fear. King Balak had no reason to dread Israel. They weren't coming for his land; they were traveling *around* his land on their way to the land God had promised them: Canaan.

- What kinds of baseless fears do you find unbelievers have about believers?
- What kinds of baseless fears do you struggle against in your own life?
- Balak clearly feared the power of God. But what things did his fear prevent him from learning about the God of Israel?

God sent His Son Jesus Christ to suffer for the sins of all people. Those who trust in Jesus Christ know the goodness of God and can trust God will never leave them or forsake them. He will safely guide them through life to their eternal home with Him.

- What freedom for living do you find in knowing that nothing will be able to separate you from God's love that is in Jesus Christ our Lord?
